

Third Grade Spanish

Each unit takes about 6-7 weeks to complete with the students.

Unit One- Spanish in our world (El Español en Nuestro mundo): This unit covers the connection between the Spanish culture and the heritage of Spanish-speaking people. It also teaches the importance of learning a second language.

Unit Two- Greetings and introductions (Saludos e introducciones) This unit is about greeting others, expressing feelings, and understanding the well-being of others.

Unit Three- Everyday things-(Las Cosas Diarias en la Clase). This unit identifies and describes classroom objects. This unit also covers the alphabet and numbers.

Unit Four- What's it like outside? (¿Cómo está afuera?) This unit describes the weather over time. It also teaches cycles of the year including months, seasons and the calendar.

Unit Five- My Family -(Mi familia): This unit describes the family and some routines.
